INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. Section 42-248 requires certain property holders to notify the Department of Water Resources (IDWR) of any change in mailing address or ownership of all or part of a water right record on file with IDWR. Section 42-1409(6) provides that new property owners must notify IDWR of any change in ownership of a water right during an adjudication of water rights. Required claims may be filed by a new owner.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. Please contact your nearest IDWR office, or call 1-800-451-4129, if you would like more information or need help completing this form. Please attach additional sheets to the form if you require additional space to describe or explain any of the items on the form.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter these number(s) at **Item 1**. If you or the seller believes there are water rights for the property but the numbers are unknown, you may wish to contact IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at **Item 2** is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner of the water right and/or adjudication claim at **Item 3**.
4. The name, mailing address, and telephone number of the new owner(s) is entered at **Item 4**. Please indicate the relationship between multiple owners by using the connector 'and', 'or', or 'and/or'. If an 'and' is used, all parties must sign this form. If an 'and/or' or 'or' is used, all parties may sign. However, only one of the named parties is required to sign.
5. At **Item 5**, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. You may be purchasing only a portion of the total water right held by the seller. This means the water right held by the seller may be "split" to provide your share of the right in question. Be sure to include a description of the portion of the water right you have purchased at **Item 6**.

Please provide as much detail as possible concerning your water right: include the number of homes, irrigated acreage if more than 1/2 acre is irrigated, type and number of stock if your right is for stockwater, etc. In the absence of information to the contrary, IDWR will assume the intent is to split the rights *proportionately*.

7. The new owner(s) must sign the form in the space(s) provided at **Item 7**. Corporations and other organizations must submit a list of directors or officers demonstrating the authority of the director or officer to sign the form.
8. There is no filing fee. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:

RE: Snake River Basin Adjudication (SRBA)
Water Right No. 65-03643 & 65-06391

Dear Property Owners:

Per my discussion with Becky Harvey, I have been advised you are the new owners of the property with the water rights referenced above. Enclosed are profile reports for your review.

Unfortunately, the only ownership information we previously received was transferring from Harold Collinsworth to Doreen Collinsworth. Therefore, before we can modify our records to reflect your ownership of these water rights, we need to have the enclosed Notice of Change of Water Right Ownership form completed and signed. Please follow the instructions attached to the form and return to this office with all of the required information. To hopefully make this easier, you can submit a copy of a tax notice in your names for proof of ownership. Because these rights have been decreed by the SRBA Court, there is a filing fee of \$25 per right. I apologize for any inconvenience this may have caused.

If you have any questions regarding this letter, please feel free to contact our office.

Sincerely,

Denise Buffington

Denise,

Danni called you about these on Friday. There were changes of ownership sent in around 1999 - these rights were decreed in 1998 (so I wasn't sure who would be working on the ownership changes). What is the status of the ownership change? FYI: Harold is deceased and so is his brother, (William) Grant.

The new owners, Rebecca & Gary Gross, are acquaintances of mine and had asked about the paperwork.

Could you, or whoever is working on these ownership changes call Becky & Gary and let them know what is happening?
Phone: 278-5713.

Thank you!!!

Gentlemen:

The water rights on property owned by Harold J. Collinsworth and William G. Collinsworth need to be updated due to change of ownership. We will need two forms to file the changes.

In reviewing the water right papers, we lack one certificate for Number ~~65-03643~~. We have received two certificates on Number 65-06391. I am certain Number 65-03643 was omitted in error. Please send a certificate for Number 65-03643.

Thank you for your prompt attention to this matter.
