Dear Claimant:

This office has received your Notice of Claim to a Water Right for the use of water within the Snake River Basin Water System. However, due to the items described below, we cannot process this claim. We are returning the claim to you to **complete only the items identified herein.**

Please complete item no. 5 - **Description of Diversion Works** - this can be completed with "well, pump and pipeline", also the depth of the well, and size of pump, would be helpful if you have this information.

Also, what do you use this well for? Please complete item no. 9, which reflects the **non-irrigation uses**. You can insert "1 home" if that is all the well is used for. You can also list any stock that you water from the well. If you do water stock, please show the number and type of stock that you water.

You have not had your signature notarized. The Notary is required on this form, as this is the documentation supporting your claim which will be presented to the judicial system.

Please complete the above items on your claim form, **initial and date any changes or additions**, and return the claim, to our office within 30 days from the date of this letter. If the claim is not received within this 30-day period, the claim will be rejected. Please contact us within the 30-day time period, either in writing or by phone, to let us know if there is a problem returning the claim, in order to keep this claim valid. If the claim is rejected due to no response within the 30-days, the claim can be resubmitted up until claims in this area are prepared for court decree. However, at that time the corrected claim along with the regular filing fee and an additional late fee will be required. Please feel free to contact this office if you have any questions concerning this letter.

Sincerely,
