Mr. Eld:

Enclosed is an amended claim 65-02109. This claim adds 35 acres of irrigation to Sec 7 NWSW, as decreed in the Payette River Basin Adjudication. This claim also changes the point of diversion from the SENE of Sec 7 to the SWNE of Sec 7. If the claim is correct please sign in front of a notary and return to me by June 30, 1999.

I have also included a map showing the place of use and point of diversion. Look this over and make any necessary changes.

Additionally, would you provide me with some information on claim no. 65-04026? This claim states that water is exchanged with Roseberry Irrigation District. I have been unable to talk with Sandy Leford, Roseberry Irrigation District's Secretary, regarding this and other exchanges. This claim shows the point of diversion in T16N, R03E, Sec2 SENE from Boulder Creek. If this water is exchanged with Roseberry, I need to have an understanding of how the exchange works. Is the Boulder Creek water dumped into the Roseberry Canal, and if so at what point? Where is the water diverted from the canal for use on the property in Sec 18? I have enclosed a topographic map, and would appreciate if you could mark these points of diversion and re-diversion for me.

Thank you for your assistance. If you have any questions please call me as soon as possible.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Susan Bock'.
