When Mrs. James W. Smith called Monday to let us know your address has changed, the person she spoke to was not aware that we need the new address information in writing and signed by the water right holders before we can change our records. Future notices related to your water right(s) can be sent only to the address on your water right(s) or as otherwise changed by you.

Please sign your name at the bottom of this letter and return it to this office. Make corrections to your name and address if necessary and list your water right numbers before returning this letter by November 5, 2001. I checked our database under "James W. Smith" and found three, with three different spouses, of course, so was unable to determine your water right numbers since I don't know which spouse goes with which James W. Smith. Your signatures on this letter will clarify which James W. Smith you are (unless Mrs. Smith signs 'Mrs. James W. Smith'). Thank you for your help.

If there has been a change in ownership of the property connected with your water right(s), please call this office toll-free at 1-800/451-4129 to obtain a form to make this required change to the water right record.

Sincerely,

Sally

Dear Mr Bjorkman:

Thank you for your letter dated May 18, 2001, asking for confirmation of information you received from Ms Danni Smith of this office regarding filing additional claims for water rights for stockwater purposes in Basin 65.

The information you received from our office is correct Idaho Code §42-113 provides that a water right is not required for the appropriation of water for the instream watering of livestock. In addition, claims to these instream stockwatering uses are not required, by order of the Snake River Basin Adjudication Court.

Thank you for addressing the helpfulness and courtesy of Danni Smith -- we agree that she is a gem, and I appreciate your note Please advise if we can assist you further in this matter.

Sincerely,
