Re: SRBA, Claim No. 65-04057

Dear Sir or Madam:

I represent Richard L. Area. The Department has issued a Preliminary Recommendation for the above water right. There are believed to be two errors in the Preliminary Recommendation.

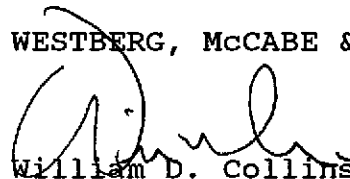

The first error is Mr. Area's address which is now changed because of the establishment of road addresses along with a new day time telephone number.

The second error relates to the place of use. It is believed that the place of use would lie within the NE $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 36, T. 12 N., R. 5 E., B.M., Valley County, Idaho. I have enclosed a map which is an enlarged photocopy of a USGS 7.5 minute topographical map entitled "Boiling Springs, Idaho", preliminary edition 1988. On this photocopy of the map I have attempted to fractionalize the section. It appears that your point of diversion is correctly stated but that the place of use is not.

A Notice of Error Reply executed by Mr. Area is enclosed. If you believe I am incorrect in fractionalizing this section, please give me a call and let us discuss the matter. I realize that the place of use and the point of diversion are both very close to what would comprise a fractional section line.

Very truly yours,

WESTBERG, McCABE & COLLINS, CTD.

William D. Collins
