RE: Water Rights in Reporting Area 15, Basin 65
Snake River Basin Adjudication (SRBA)

Dear Water Right Claimant(s):

Please find enclosed the Idaho Department of Water Resources recommendations for your water right(s) in Basin 65 for the Payette River drainage basin. We have also enclosed instructions for reviewing (1) your recommended water right(s), and (2) other recommended right(s) in your area. Water rights for nearly all domestic and/or stockwater rights were recommended separately in an earlier report, and most of those now have been decreed by the SRBA Court.

Note that you have 120 days in which to review your water rights or those of other claimants and to file any objection to our recommendations. Information on the other water rights can be found at the county courthouses in Emmett, Payette, Weiser, Idaho City, and Cascade, and at all the Idaho Department of Water Resources offices (see addresses in enclosures).

If the SRBA Court does not receive an objection to our recommendation from you and no other party objects to your water right, your water right will be decreed the first part of next year as recommended. You will receive your decree from the SRBA Court.

Completion of the SRBA is important for the future of water management in Idaho. We invite you to contact our regional offices with any questions you have about your water right(s) or this adjudication process.

Sincerely,

Karl J. Dreher
Director

Claim No. 65-04097 & 65-11345

*See map's claims
in 65-04097*

Dear Mary:

I spoke with you last week regarding your water rights. I am having a problem finding ownership in your name for two of these rights. I am enclosing a copy of your water rights claims and a map showing where the claims indicate the water is used.

Please verify these two claims and send in a copy of the warranty deeds, so that I can recommend these water rights.

#1 - Claim is okay.

#2 - Claim is okay.

#3 - Assessor's office shows no ownership under the name of Griffiths at this legal description. Please mark on the map the area you believe has water rights and provide copy of warranty deed.

#4 - This claim includes three government lots. Lots 6 and 7 are not in your name, rather the assessor shows Mio Farms as owner. Lot 3 is in your name and Robert Griffiths. If lot 3 is the only lot still owned by you, the water diversion rate will need to be reduced to reflect the change. Also please inform how many homes occupy lot 3.

#5 - Claim is okay.

#6 - Claim is okay.

Mary, I know that you had said your husband passed away. If you would like to have the names for the water rights changed, please submit the Change of Ownership form.

If you have any questions please call me. I need to have the proof of ownership for the parcels in question by February 6, 1998.

Sincerely,

A handwritten signature in cursive script, appearing to read "Susan Bock".
