Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. To have a timely filing you must file this claim with IDWR by May 25, 2001. IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.
Adjudication Bureau Chief

Dear Claimants:

Enclosed is a copy of the above referenced claim which reflects the change in ownership of the land and appurtenant water right(s) covered under the original filing.

The Department will contact you in the future concerning any requirements that may be needed in order to process this claim for final court decree.

Thank you for your patience and cooperation, as we have had several ownership changes to process. If you have any questions concerning the enclosed claim, please feel free to contact this office.

Sincerely,

Dear Leslie,

Our Adjudication Section received your copy of the Notice of Change in Water Right Ownership form 10/16/00.

However, I cannot change the ownership until you submit a copy of one of the following items as required under item 2 of the Notice of Change in Water Right Ownership form:

Item 2 B. A copy of the most recent DEED, TITLE POLICY, CONTRACT OF SALE or other legal document indicating your ownership of the property etc.

Again, although the County Assessor has confirmed that you own this parcel of land, (parcel 2156) legally we cannot change a claim to your ownership without supporting documents.

Sincerely,

A handwritten signature in cursive script that reads "Ron Howerton".

Ownership question

KARL J. DREHER
DIRECTOR

LOUIS OR LESLIE ENGLEHORN
7100 WHITLEY DRIVE
FRUITLAND ID 83619

Dear Louis & Leslie,

Our Adjudication Section is now preparing the claims in your area for decree in the Snake River Basin Adjudication.

Our records show competing claims for the following water right claims:

LOUIS OR LESLIE ENGLEHORN
Water Right: A65-04630A
Purpose: Domestic

SHARON OR EDGAR DUNDAS
Water Right: A65-04630B
Purpose: Domestic

LOUIS OR LESLIE ENGLEHORN
Water Right: A65-04633A
Purpose: Irrigation

SHARON OR EDGAR DUNDAS
Water Right: A65-04633B
Purpose: Irrigation

I have the following information indicating that you still own the land in T08N, R05W, S27, SW1/4 SE1/4 as described in Decreed Water Rights 65-04630 and 65-04633. AKA Payette County parcels 2156. (Ownership conformation from the Payette County Assessors office).

Payette County also confirmed that neither SHARON OR EDGAR DUNDAS owns any of the above property as described in these decreed rights.

SHARON & EDGAR DUNDAS also claimed 65-04634, which is also appurtenant to the above competing claims, I couldn't find anywhere that you had filed on this right in the SRBA adjudication.

I believe you missed claiming this right and the best way to get this right filed into your name(s) is to file an ownership change form.

I have enclosed the NOTICE OF OWNERSHIP FORM with this letter, please attach a copy of your deed, title or legal document to this ownership form with your signatures

Etc. and return in the business reply envelope. This should clarify and allow IDWR to put this water right in your name(s). (No filing fee)

Although the County Assessor has confirmed that you own this parcel of land, legally we cannot change a claim to your ownership without this form and supporting documents. We can choose to recommend one of two or more competing claims based upon information gathered from the Payette County Assessors office for the other referenced claims shown above.

Sincerely,

Ron Howerton
Senior Water Right Agent
