RE: Water Rights in Reporting Area 15, Basin 65
Snake River Basin Adjudication (SRBA)

Dear Water Right Claimant(s):

Please find enclosed the Idaho Department of Water Resources recommendations for your water right(s) in Basin 65 for the Payette River drainage basin. We have also enclosed instructions for reviewing (1) your recommended water right(s), and (2) other recommended right(s) in your area. Water rights for nearly all domestic and/or stockwater rights were recommended separately in an earlier report, and most of those now have been decreed by the SRBA Court.

Note that you have 120 days in which to review your water rights or those of other claimants and to file any objection to our recommendations. Information on the other water rights can be found at the county courthouses in Emmett, Payette, Weiser, Idaho City, and Cascade, and at all the Idaho Department of Water Resources offices (see addresses in enclosures).

If the SRBA Court does not receive an objection to our recommendation from you and no other party objects to your water right, your water right will be decreed the first part of next year as recommended. You will receive your decree from the SRBA Court.

Completion of the SRBA is important for the future of water management in Idaho. We invite you to contact our regional offices with any questions you have about your water right(s) or this adjudication process.

Sincerely,

A handwritten signature in black ink, appearing to read 'Karl J. Dreher', is written over the word 'Sincerely,'.

Land claimed by David & Sandra Carpenter does not match parcel 2023 although the legal description is the same tract, T08N, R05W, S23, SW1/4 SE1/4. AKA parcel 2023-1 (Not same parcel as decreed)

(Conformation from the Payette County Assessors office dated 6/7/2000).

CLAIM NO. A65-04636

Dear Claimant(s):

During normal review and filing of the Notice of Claim to a Water Right listed above, we found that two claims have been filed on the same existing water right.

In order to show both claims having been filed for the same existing water right, we have re-numbered your claim with either an A or a B suffix indicated after the original water right number. Enclosed is a computer generated copy of your claim showing this new suffix. Also enclosed is a copy of the other claim filed for this existing water right.

Prior to submitting these claims to the Court for decree, the Department will research and require proof of ownership to determine the present owner of the place of use shown on the existing water right for which these claims were filed. We will contact you at that time for this evidence, however, if the ownership can be clarified at this time, please feel free to contact this office either in writing or by phone.

Sincerely,

Adjudication Staff
