HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

I returned Mr. Lanfear's call re: letter from IDWR dated 06/10/1994. He gave me the following information:

The well in S-11 originally served 3 homes. House # 3 (X-street from 2250 SW 1ST AVE) was torn down many years ago.

Two wells served Houses # 2 + # 1; systems no longer connected - divided about 14 years ago. Home in S-11 in now owned by another party.

Lanfear's ~~right~~ right is in S-2, and their claim is A65-04833. I told Mr. Lanfear that nothing else is required at this time, and IDWR would contact new owners of property in S-11.

Dear Mr. and Ms. Lanfear:

This office is currently processing the Notice of Claims to a Water Right that you submitted during the Snake River Basin Adjudication (SRBA) claims filing process in April, 1990.

You filed two domestic claims, both based on a water right previously decreed in the Payette River Decree. A copy of the Department's field investigation of this water right, number 65-04833, and a summary report of the right are enclosed. Please notice that the right was decreed with two points of diversion, but the comments in Item 6 B of the field investigation indicate that only one house is served by this right. Consequently, only one of your domestic claims may be based on water right number 65-04833.

We have processed an SRBA claim based on this decreed right. The SRBA claim is numbered A65-04833, and a copy is included with this letter. This claim was picked for the decreed right because the legal description of the place of use of the claim matched the place of use of 65-04833.

The second domestic claim is being returned to you with this letter. This claim on the second home requires a filing fee of \$25.00 because the use for the second home was not previously decreed. Also, the priority date of this claim must indicate the date the well was hooked up to the second house. Please date and initial any changes and return the claim to this office with the \$25.00 filing fee.

One final note concerns the delivery system to the two homes. Water right number 65-04833 was decreed in the Payette River Decree with two points of diversion for the single home. SRBA claim number A65-04833 lists one point of diversion, as indicated on your claim that was submitted in April 1990. If this house is still connected to both wells, please indicate the legal description for the second well in Item 4 on the claim, date and initial the change, and return the claim to this office.

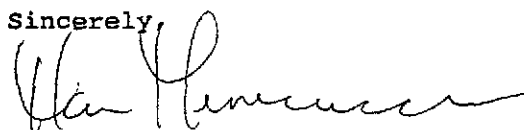

The same information pertains to the claim which is being returned to you. If the second home is also connected to both wells, please add the legal description of the second well to Item 4, date and initial any changes, and return the claim to this office. Again, this claim requires a \$25.00 filing fee.

MICROFILMED
AUG 03 1994

Please return the claim to this office within 30 days from the date of this letter. If the claim and the requested fee are not received within the 30 day time period, the claim will be rejected. The claim may be resubmitted up until claims in this area are prepared for court decree. However, at that time a late fee will be required in addition to the normal filing fee. Please see the enclosed pamphlet "A Quick Guide to the Special Domestic & Stockwater Filing Procedure". This pamphlet explains the special procedures which apply to domestic and stockwater claims.

If you have any questions or need assistance with your claims, please contact me at this office.

Sincerely,

Maria Minicucci
