STATE WHY AN EXTENSION OF TIME IS REQUESTED
EXPLAINING HOW A DILIGENT EFFORT HAS BEEN MADE
TO MEET THE DEADLINE:

During 1990 I was suffering from multiple mini-strokes which causes loss of memory and suffered other physical problems including the last stages of glaucoma (I have since been declared legally blind in one eye and severe (3/4)loss of sight in the remaining eye. To read or concentrate on remembering would bring on disabling migraine headaches, which required continuing medication and at times required hospitalization.

I was also suffering emotional stress as I and my sister were primary caregivers for my 80 year old mother who was terminal and passed away in 1991. My terminally ill 21 year old daughter and her three year old asthmatic daughter were also living with me in 1990. My job

at Ore-Ida (graveyard shift) was the only income for the family. So I am sure you can see why I can say I really don't remember receiving the paperwork but I can assure you I certainly would have responded if I had realized that it needed to be done.

I have continued to suffer loss of my job and death of my mother, and unexpected death of my son in 1995 in a train/pedestrian accident, and my other son was lost to me as well sentenced to death in California, where I can't even visit him. I didn't even realize the necessity of doing this until I received a certified letter from the Dept. of Water Resources out of Boise.
