RE: Notice of Claim to a Water Right

Alan Duane Vaughan
HC 76, Box 2976
Garden Valley, ID 83622

Dear Mr. Vaughan:

After assisting your wife in the office yesterday, I found that I had forgotten to give her a "Request for Withdrawal of Claim" form that needs to be completed and signed by you, as claimant. Enclosed is a copy of the claim that you had submitted.

Once we have received the completed form we can clear this filing from our records and request that the filing fee of \$25.00 be refunded. I began to submit a refund request to our State Office this morning and found I didn't have a reason to request one since the claim had not been withdrawn.

If you have any questions in regard to this matter, please do not hesitate to contact me.

Sincerely,

The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

WATER RIGHTS
DIVISION

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

Notice of Claim to Water Rights

October 30, 1995

Reference Item number 2.

This residence was established in 1965. The only water source available to the property is this spring. This property has been a full time residence since 1965. Therefore, the established priority date on this claim is October 19, 1977. This date was set by the limitations of the Payette Adjudication Decree.

Reference Item number 14.

This spring is currently shared by the Vaughans and the Severances(A65-10496)
The Vaughans pay for the power to the pump. In exchange the Severances agree to maintain the spring. The overflow from this spring box is then captured and used by the Shanklins(A65-05415). The spring is located on the Shanklins property.

Gary Shanklin called the office in regard to the second claim filed on Pt. 65-05415. He said to his knowledge there are only 2 users on this spring - him & the Severances. I told him to gather all the info he could and submit it to the file in order to document his objection to the claim filed by the Laughans. He said he would do some investigating and submit his findings.
