RE: Notice of Claim to a Water Right
A65-07121, Valley County

Dear Mr. and Mrs. Creason:

Enclosed is an amended Notice of Claim to a Water Right.

You submitted a claim in November, however, that claim was erroneously developed under a different category than your actual water right. Your water right was established under state law; the claim form you completed was for rights established under federal law. These are two very different types of water rights and because this is a legal proceeding, we need to have the correct form completed.

We apologize for this inconvenience; however, please sign this correct form, have it notarized, and return it as soon as possible. If you have any questions, please contact Helen Harrington, at (208) 334-7900.

Sincerely,

Donald V. Shaff
