Re: Water Rights Claim 65-07154A

Dear Claimants:

I am currently in the process of reviewing your water rights claim referenced above which was filed during the Snake River Basin Adjudication (SRBA) claims filing. However, due to the problem explained below, I may not be able to recommend this claim to the SRBA Court in Twin Falls for decree. A copy of your claim is enclosed for your review.

The original water right claim 65-07154 was licensed for two families on lots 34 and 36, Crown Point Subdivision #4. Lot 36 has been filed on by a Mr. and Mrs. Smith. In order to assign the other half of the right to lot 34, I will need some evidence as to who owns the original home on lot 34, such as a sworn affidavit or deed showing transfer of water right. If no party claims this right, the right will be forfeited.

If you have any questions concerning this letter, please feel free to contact me by phone. If you plan to come into the office, please contact the office first to make an appointment to guarantee someone will be available to assist you.

Sincerely,

Susan Bock
Sr. Water Resources Agent

RE: Water Rights in Reporting Area 15, Basin 65
Snake River Basin Adjudication (SRBA)

Dear Water Right Claimant(s):

Please find enclosed the Idaho Department of Water Resources recommendations for your water right(s) in part 1 of basin 65 (the North Fork of the Payette River drainage area). We have also enclosed instructions for reviewing (1) your recommended water right(s), and (2) other recommended right(s) in your area. Water rights for nearly all domestic and/or stockwater rights were recommended separately in an earlier report, and most of those now have been decreed by the SRBA Court.

Note you have 120 days in which to review the water rights of other claimants and to file any objection to our recommendations. Information on the other water rights can be found at the county courthouses in Cascade, Idaho City, Emmett, Payette, and Weiser, and at all of the Idaho Department of Water Resources offices (see addresses in enclosure).

If the SRBA Court does not receive an objection to our recommendation from you and no other party objects to your water right, your water right will be decreed early next year as recommended. You will receive your decree from the SRBA Court.

Completion of the SRBA is important for the future of water management in Idaho. We invite you to contact our regional offices with any questions you have about your water right(s) or this adjudication process.

Sincerely,

Karl J. Dreher
Director
