DIRK KEMPTHORNE
Governor

KARL J. DREHER
Director

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.
Adjudication Bureau Chief

WATKINS RIGHT LICENSE

THIS IS TO CERTIFY, that

No. 55-7180 Issued pursuant to Application for Permit dated March 4, 1971

that he has applied water to a beneficial use; an examination by the Department indicates that the works have a capacity for the diversion of 0.02 cfs of water from South Fork of Payette River.

Beneficial Use	Period of Use	Rate of Diversion	Annual Volume
Inter-ception	May 15 to Sept. 16	0.02 cfs and	4.0 acre feet

Subject, however, to the condition that no more than 0.02 cfs of water be diverted at any one time, and that the amount of water so diverted and to which such right is entitled and continuing for the purpose aforementioned and is limited to the amount which can actually be beneficially used and shall not exceed 4.0 acre feet per year, said waters to be diverted within the NW 1/4 Sec. 17.

Description and location of place of use:	(Lot 31 of C 2, Bronson Subdivision)

[illegible]

Total number of water irrigated 278

The right to the use of the water hereby confirmed is restricted and appurtenant to the lands or place of use herein described, as provided by the laws of Idaho.
