RE: Claim #A65-07209

Dear Claimant:

Enclosed is a Notice of Claim that has been amended as follows:

Item #6 & #10 - You filed your claim on 11-4-88 showing Stockwater, Wildlife, Recreation, Aesthetic Storage and From Storage as your licensed water right represents. The enclosed claim has been amended in Item #6 and #10 to represent irrigation from storage as claimed in the Payette River Basin Adjudication (not decreed by the Payette River Adjudication, but included for information purposes only).

The signing, notarizing, and returning of this claim to this agent will enable this department to process the claim as fee exempt (all claims in Valley County that were included in the Payette River Adjudication that change the water uses, point of diversion, or place of use require fees). During the review process your claim will then be recommended as your claim dated 11-4-88.

If you wish to not submit the amended claim, then a fee of \$92.00 will be required to complete the processing of your claim dated 11-4-88.

Please remit a copy of this letter when returning the completed amended claim or correspondence.

Sincerely,

Eldon L. Roush
