DIRK KEMPTHORNE
Governor

KARL J. DREHER
Director

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim.

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.

Dear Claimants:

We have processed a Change of Ownership for portions of your original claims to water rights as referenced above. This change of ownership resulted in a split of your claims.

When a portion of the original water right claim has been conveyed to another and the original right has been split, then the original claim number is renumbered by adding alpha-suffixes to represent each split. Each split contains only the portion of the original right for each separate owner. The above referenced new claim numbers reflect your remaining portion of the original claims after the change of ownership. Enclosed is a copy of the new claims for your records. Please refer to your new claim numbers when corresponding with our office.

If you have any questions concerning this ownership change, or the enclosed claim copies, please feel free to contact this office.

Sincerely,

RE: Notice of Change in Ownership from James Haid to Charles Haid

Jodell Barber
c/o Clark Real Estate
P.O. Box 788
McCall, ID 83638

Dear Ms. Barber:

I have completed my review of the Change in Ownership as referenced above and the Snake River Basin Adjudication (SRBA) Claims that will be involved with this change. Please note that all of these claims **had been** submitted by James Haid. The rights were changed to L. B. Industries Inc. based on the Memorandum of Sale of Water Rights submitted with a change of ownership form in February of 1991.

Claim **A65-07576** was not mentioned in the listing of rights that Mr. Weaver gave to Mr. Haid. However, this claim does include lands now owned by Mr. Haid. It also includes a stockwater use which I have split. The license was issued for watering 500 head of cattle on the entire irrigated place of use.

There was never a SRBA Claim submitted for **Right 65-12136** which was included in the listing of rights that Mr. Weaver gave to Mr. Haid. Therefore, I have not done anything in regard to this right.

Please review the enclosed copies of the claims as they have been split. If you have any comments and/or corrections to these splits please let me know within the next 30 days. If I don't hear from you within this period, the claims will remain on record as shown on the enclosed copies. Please feel free to contact this office if you have any questions in regard to this matter.

Sincerely,

KAY WALKER

RE: SPLIT OF CLAIMS BETWEEN L.B. INDUSTRIES & CHARLES HAID

Note. that all of these claims had been submitted by James Hait. The rights were changed to L. B. Industries Inc. based on the Memorandum of Sale of Water Rights submitted with change of ownership form in February of 1991. Splits will be as follows, based on the plotting of both land ownerships (see map of land ownerships in File A65-02946B).

Charles Haid's Portion

L. B. Industries' Portion

Claim A65-02946

Claim A65-07052

8.22 cfs

Claim A65-07653B

0.23 cfs
36 ac-ft at field headgate
24 ac-ft consumptive use

142 acres
2.77 cfs
426 ac-ft at field headgate
284 ac-ft consumptive use

Claim A65-07576

11 acres/0.22 cfs
33 ac-ft at field headgate
22 ac-ft consumptive use
10 hd. cattle/0.01 cfs/0.06 AF

487 acres/9.74 cfs
1461 ac-ft at field headgate
974 ac-ft consumptive use
490 hd. cattle/0.03 cfs/2.74 AF

NOTE: This claim was not mentioned in the listing of rights that Mr. Weaver gave to Mr. Haid. However, this claim does include lands now owned by Mr. Haid. This claim also includes a stockwater use which I have split. The license was issued for watering 500 head of cattle on the entire irrigated place of use. I found that L. B. is the owner of 98% of this right and Mr. Haid owns 2%, so the stockwater use was split based on ownership.

There was never a SRBA Claim submitted for Right 65-12136 which was included in the listing of rights that Mr. Weaver gave to Mr. Haid. Therefore, I have not done anything in regard to this right.

RE: OWNERSHIP OF LANDS UNDER CLAIMS

Ms. Bea Perez called the office this morning in regard to the letter I sent to her last week. She had no idea that there were water rights on the property. She says a channel runs through their property which they would like to build into a wildlife habitat area. She has no plans on irrigating any of the land out there. She has been in contact with the Department of Fish and Game in regard to the wildlife habitat. She will not return the change in ownership form at this time.

Dear Ms. Perez:

It has come to our attention that you have purchased some property in Valley County which may have appurtenant water rights that have been claimed in the Snake River Basin Adjudication (SRBA). Enclosed are a couple of brochures which explain what the adjudication is and what to do when buying or selling property in the SRBA boundaries.

It is my understanding that you purchased property from Ralph Weaver who purchased the property from James Hait. Mr. Hait filed claims in the SRBA for the irrigation of lands that he had owned. If you now own some of these "irrigable" lands, you need to file a Notice of Change in Ownership. Enclosed, for your convenience, is a Notice of Change of Water Right Ownership form. Please complete the form and return it to my attention so we can straighten out our records.

If you have any questions in regard to this matter, please do not hesitate to contact me.

RE: OWNERSHIP OF WATER RIGHTS

While reviewing the Notice of Change of Ownership from Jim Hait to Charles Haid, I found that the above rights had been completely changed to L.B. Industries due to the "Memorandum of Sale of Water Rights" between Hait 1971 California Trusts and L.B. Industries. In processing this new change of ownership I was completely confused so I contacted Millie at Clark Real Estate in McCall. Millie gave me a breakdown of the sequence of property ownership which is as follows:

Jim Hait sold 80 acres to Ralph Weaver - there was never a change in ownership for this sale submitted.

Jim Hait sold all remaining land under his name to L.B. Industries with the exception of Rt. A65-08120 which was retained. I was able to plat L.B.'s property with the information in files. See attached.

Ralph Weaver then sold 25-30 acres (out of his 80) to Beatrice Perez. We have never received a Change of Ownership for this property. I have a mailing address of:

Beatrice Perez, c/o Alice Bassett, 721 Spyglass Way, Eagle, ID 83616

I will send Ms. Perez notification that we need to have a Change of Ownership submitted.

Mr. Weaver also sold another 10 acre piece to another party. Millie did not have any information on this sale.

Mr. Weaver then sold 28 acres to Charles Haid.

Since all rights were changed to L.B. Industries, I will split them and advise L.B. that there are other owners of portions of these rights which will be processed as they are submitted.

RE: Notice of Change in Ownership from James Hait to Charles Haid

Jodell Barber
c/o Clark Real Estate
P.O. Box 788
McCall, ID 83638

Dear Ms. Barber:

We have reviewed the Notice of Change of Water Right Ownership form submitted to our office. However, due to the items identified below, we cannot continue to process this ownership change. We are returning the Notice of Change of Ownership to you to research the following.

In reading the legal description attached to the warranty deed, I found that the first paragraph describes this property as located within a 240 acre parcel. That is, SESW, SWSW, Sec. 12; NWNW, SWNW, SENW, and Gov't. Lot 2 (NENW), Sec. 13; Twp. 17N, Rge. 2E (I have marked this area out on the enclosed map for your convenience). Since the property conveyed only contained 28.7784 acres, I entered the metes and bounds description into our PC and found that the metes and bounds description does not close. I did come up with 28.73 acres which was really close to the property conveyed but do not know for sure which 40 acre tracts have been conveyed.

Complete the Notice of Change of Water Right Ownership form to identify which water rights are being conveyed, or identify which lands are to be conveyed to Mr. Haid by 40-acre tract description (on the top of the form), or review the metes and bounds description and revise it so that the description closes when platted so that I can complete the ownership change based on that description. Also, you need to complete the question under the new claimant's telephone number which asks if the water rights will be split.

In review of our water right records based on the legal descriptions in paragraph 1 of the legal description, I found water rights in the names of L.B. Industries and Lowell D. Hammond. Did the Weaver's purchase their property from one of these claimants? I noticed that L.B. Industries now holds the rights originally in Mr. Hait's name.
