Department Of Water Resources,

RECEIVED

MAR 06 2000

WATER RESOURCES
WESTERN REGION

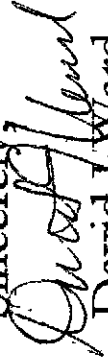

We have reviewed the water claims mentioned in preliminary recommendation correspondence, and completed the enclosed documents.

We do however have two additional permits that we are presently using at the greenhouses that are not mentioned in the preliminary recommendations. Could they be included in the adjudication process?

These are **65-13344A** for 1.0 cfs from the South Fork of the Payette River, and **65-13588** for hot water completed Oct. 15, 1998.

Thank you for your consideration on these matters.

Sincerely,

David J. Ward

For Jack D Ward
