RE: Notice of Claim to a Water Right
No. A65-08264, Valley County

Dear Mr. & Mrs. Holtz:

Enclosed please find the Notice of Claim which was received by this office on December 1, 1988. The third page which contains the section for signatures and notarization was missing.

Enclosed is a new claim form with the updated information you submitted with the first claim. You will note that the name and address in Item 1 has been changed to reflect your names and addresses.

We are unable to process the claim without your signatures and notarization. Please sign the new form, have the signatures notarized, and return them to this office before April 22, 1989.

The deadline for submitting claims for Valley County was November 23, 1988. Because the form was received after that date, a late fee of \$50 must also be included with your re-submission of the claim. However, due to changes in the commencement order, you have an option as to whether or not you submit this claim. Enclosed is some information which will explain your options.

Please feel free to contact this office if you have any questions or need additional information.

Sincerely,

Orig. signed by Don - JH
