PLEASE NOTE!

During one of the database conversions in the past, a truncation of the land lists occurred on some of the WR database records. This problem was identified when the SRBA claims in the Payette basin were generated. A few of the claims may have been constructed using these incorrect land lists. This may be one of those claims:

A65-02247

A65-02308

A65-02454

A65-02573

A65-05033

A65-05411

A65-07777

A65-09539

A65-10388

A65-10473

Please check the land list on this claim against the Payette decree "Blue Book". An amended claim may be required if the claimant wishes to claim additional acres.

10. **I object because:**
 - ☐ This water right should not exist.
 - ☒ This water right was not recommended, but should be recommended with the elements described above.

REASONS SUPPORTING OBJECTION(S):

The State of Idaho, through the Idaho Department of Lands, is the owner of a portion of the land upon which use is claimed. This land is State Public School endowment land. This land is more particularly described as the SW¼NW¼ of Section 36, Township 10 North, Range 1 East, Boise Meridian. The claimant does not have a valid water right for use on the endowment land because a private claim cannot be made on such lands.

PLEASE NOTE!

During one of the database conversions in the past, a truncation of the land lists occurred on some of the WR database records. This problem was identified when the SRBA claims in the Payette basin were generated. A few of the claims may have been constructed using these incorrect land lists. This may be one of those claims:

Please check the land list on this claim against the Payette decree "Blue Book". An amended claim may be required if the claimant wishes to claim additional acres.

Director

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

- 1 You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
- 2 You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
- 3 You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.
Adjudication Bureau Chief
