Re: Snake River Basin Adjudication (SRBA)
Your Three Letters of May 16, 2001
Your Firm's Address Enhancement, Water Right Claimants
Don Weilmunster, M Resorts, Ltd. and D. John and Teresa Carey

Dear Mr. McMahan:

Thank you for responding to my May 9th letter regarding your returned mail. I have added your Post Office box to our records.

In one of your three May 16, 2001 letters to me, you mentioned that John and Teresa Carey, pro se, have a substantial interest in Boulder Irrigation Company and Boulder Meadows Irrigation Company. I have enclosed a copy of the water rights for these two companies as they were recommended to the SRBA Court. The objection period for these rights ended April 14, 2000.

You requested that your firm receive any correspondence regarding these water rights. You may check our web site (www.idwr.state.id.us) to investigate water rights and claims, and the Court's website (www.srba.state.id.us) to learn the status of water rights and claims reported to the Court.

Please contact me if I can be of further service.

KARL J. DREHER
Director

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.
Adjudication Bureau Chief
