INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Section 42-1409(7), Idaho Code. This statute provides that new property owners notify the Department of Water Resources (IDWR) of any change in ownership of a water right during an adjudication of water rights, and if a claim for the water right has not been filed to file the needed claim(s).

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. If you would like any of these brochures or if you have questions about completing this form please contact your nearest office of IDWR or you may call 1-800-451-4129 (toll-free).

The first line of the form asks for the date of closing so IDWR will have a record of the effective date of the property transfer.

The second line of information requires the legal description of the property being transferred. This information is **ESSENTIAL** and should be available from the documents that will be present at the time of closing. The first two lines of the legal description **MUST** be completed. IDWR's records are based upon legal descriptions using township, range, section and fractions of a section descriptions, and this information must be included on the form. If you also have available a legal description based upon a townsite or subdivision and lot and block number, please also include this additional information. A lot and block legal description is **NOT** a substitute for the township, range, section and fraction of a section description.

After completing the legal description, if all water is supplied by a public service water supply you may check the first box; complete the name, address and telephone information for yourself, the new owner; sign the form in the space provided and return the form to the IDWR office nearest you.

If there are water rights associated with the property, the seller should be able to provide you with the water right number(s). The water right number(s) for the property are to be put in the space provided at the second box on the form. If you or the seller believe there are water rights for the property but the numbers are unknown, then you may wish to call or come into an office of IDWR for assistance in identifying the water rights for the property involved. If claims for the property have not been filed you will be so advised by IDWR.

After the water right number(s) for the property has been entered on the form, complete the name and address information for **BOTH** the former owner/seller and for yourself, the new owner, in the spaces provided. Please also include your telephone number. If the property you have purchased is only part of the property owned by the former owner/seller, you may be purchasing only part of the total water right held by the seller. This means the water right held by the seller must be split so you get your proportionate share of the water right. Be sure to include a description of the portion of the water right you have purchased. The seller should be able to help you describe the portion of the water right for the property you have purchased.

If the former owner/seller will sign the form and the seller is shown as the claimant of the water right in IDWR's records, then you do not need to attach proof of ownership of the land or the water right. The seller should know if the original claim was filed by him, or if the seller has filed a change in ownership so the seller is shown as the claimant of the water right in IDWR's records. If the seller is not going to sign the form then you must attach some proof of ownership of the property described at the top of the form or proof of ownership referencing the specific water right(s) for the property.

The new owner must sign the form in the space provided. If the former owner/seller is available to sign the form please do so in the space provided.

When complete, the new owner and the former owner/seller should each retain one of the copies and return the original of the form to IDWR. You may return the form to the IDWR office nearest you or to: Idaho Department of Water Resources, Statehouse Mail, Boise, ID 83720-9000, Attention: Adjudication Bureau.

1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

Name of owner.

2. Describe the changes you wish to make in the proposed recommendation:

The name of the owner should be "Owen Family Revocable Trust A"

3. Give a brief explanation as to why you disagree with these portions:

In 1994, the ownership was changed from "Richard L. Owen" to "Owen Family Revocable Trust A." The address was subsequently changed from Bruneau to McCall, but ownership should have remained in the Revocable Trust.

 I AGREE with this proposed recommendation; no changes need to be made.

RE: Snake River Basin Adjudication (SRBA)
Valley County - Claims #A65-10366, A65-10367 and
A65-08324
Owen Family Revocable Trust A

Dear Scott:

IDWR has received the notice of the change in ownership of the above-referenced water right claims. Our records have been changed accordingly.

I called your secretary, Melinda Anderson, to confirm the signature on the ownership change form is Richard L. Owen's, and asked if he is still trustee for Revocable Trust A. She confirmed the signature is Mr. Owen's and requested I add his name as trustee if the other Revocable Trust A Notices of Claim show him as trustee. I also told Melinda I would put the correct zip code on the Notices of Claim as provided by the Bruneau postmistress.

Claims prepared from our computer database are enclosed for your review. If you have any questions, please contact me or Don Shaff.

Sincerely,

Sally Sherman

RE: Snake River Basin Adjudication (SRBA)
Notice(s) of Claim #A65-10366, A65-10367 and
A65-08324
Owen Family Revocable Trust A

Dear Ms. Anderson:

Following your telephone conversation with my secretary, Sally Sherman on this date, enclosed are the original Notices of Claim referenced above which were received this morning. The copies you provided have been discarded.

Because the only apparent change to these Notices of Claim is the claimant name, it is unnecessary to submit a new claim form. I have enclosed a small supply of 42-1409(7) New Property Owner Notice of Change of Water Right Ownership forms for your use. Please put all three rights referenced above on one ownership change form and return it to this office.

Finally, we will need a Notice of Appearance from Scott Campbell for these three Notices of Claim as he had on the Amendments that have some slight imperfections and would have been returned for those reasons if not for the procedure cited above. Please contact me, or Ms. Sherman, if you have any questions.

Sincerely,

Donald V. Shaff
