Denise,

Please have the claimants write the court a letter explaining that the wife's name is spelled incorrectly on the partial decree. Have them mention that it was spelled correctly in the claim, but appears to have been a clerical error in the recommendation and was carried forward to the partial decree.

The court's address is: Snake River Basin Adjudication, P.O. Box 2707, Twin Falls, Idaho 83303-2707. The court will take it from there.

Garrick, since B65 is your basin, do you want to respond to this or would you rather have me do it? NBS

Can we leak word to court that would provide a way for to issue an amended decree without a Motion by the claimant?

I have a question on a PD that was recently issued. We had a customer call and let us know that his wife's name was spelled wrong. It's correct on the claim, however on the recommendation and decree it's INCORRECT. Not sure by looking at the file, how it was spelled incorrectly on the recommendation. The current owners are the original claimant... The first name should be DIANE, rather than DIANA. Minor difference!

Anyway, we need to know what to tell the claimant. How do they correct the spelling on the decree? Do they need to contact the court? And - can we correct the spelling on our recommendation and send them a copy? This way - it will be correct when it gets "slammed" over to the water right side at a later time. Let me know what to do.

THANKS
