PLEASE NOTE!

During one of the database conversions in the past, a truncation of the land lists occurred on some of the WR database records. This problem was identified when the SRBA claims in the Payette basin were generated. A few of the claims may have been constructed using these incorrect land lists. This may be one of those claims:

A65-07777

A65-09539

Please check the land list on this claim against the Payette decree "Blue Book". An amended claim may be required if the claimant wishes to claim additional acres.
