Kay, I'm suspicious we ever received a claim. The Claim Received Date and Receipt No. are blank. The claimant name is the same as the WR record. Of course the Subscription POD is not on WR. I don't know why Subscription was put in when the 12n 04e pod was in the record. The microfiche jumps from 507 to 512 just like the AJ with the exception of this 511 in AJ. If the claimants do not respond I would call this a data error, AJ2 to set the Temp Flag = T, then have Jan delete the HOST record. All of this is easier for me to swallow given the lack of fields above and the fact the water right is a deferrable D&S.

Hi, Don... The claim number is A65-10511. It came up as needing verification so I was assigned the claim review. The claim itself is no where to be found so I am trying to contact the claimant to submit a new signed version. The audit trail is as follows: 2/3/89 Lharris

8/7/89 roush

3/30/95 post-std

I am sending out a "feeler" letter. Telling them if they still want to claim the right to sign the form in front of a notary and get it back to me asap. Don't know what else to do. Kay

Hi Kay,
 The extreme POD was used to meet the BAT_UPD requirements and generally in cases 1) where the POD was outside the state, or 2) the POD for Large Claims in the second (Z1), the third (Z2) etc. If you have one that does not have these criteria and you're stuck, let me know the specifics like claim number and whodunit (audit trail).

Subject: HELP!!

Hi, Don... I am in trouble. I can't remember why we put "65N, 46E, S36, subscription" in the p/d on some of the rights that are data entered. Could you help me out? I have a claim that I need to correspond on and it has that description on it in the d-base. I thought that the reason for inserting the p/d like that was in the admin. memo's but I can't locate it. Your assistance would be much appreciated. Kay

Dear Claimant:

We are in the process of preparing claims for recommendation to the SRBA (Snake River Basin Adjudication) Court in Twin Falls. In a review of our file, we find that we need to request a signed and notarized claim form. ***If this water right is still in use, please sign the enclosed claim form in the presence of a notary public and return it to our office by August 30, 1999.***

If you have any questions concerning this matter, please do not hesitate to contact me.
