RE: A65-10604, A65-10605, A65-05657A & A65-05657C

Dear Mr. Wasson:

I'm reviewing several of the water right claims you filed in the Snake River Basin Adjudication (SRBA) in preparation for making our initial recommendation to the SRBA court. I need your assistance in helping me describe the place of use and points of diversion for the above referenced claims.

Please mark on the enclosed map with an "X" where the points of diversion are located. Please also outline the area that is irrigated by each of the claims referenced above. I'm especially concerned about the location of A65-10604 and A65-10605. This is the land that was previously owned by Walter and Mary Trenhaile. The water right indicates there is 4 acres in the NESW and 1 acre in the NWSW of Section 10 but our records are not clear as to the exact location.

If it would be easier to complete this task by meeting in person please call me at the number below and we can set an appointment. I would like to complete my review of your claims by the end of November so your immediate attention to this matter would be appreciated.

Cordially,
