RE: 65-09668A Schrader

I noticed that the lot and the tract listed don't agree. Either description (lot or tract) is private so BLM will not object. Just thought I'd bring to your attention for your records.

Your shape file says that acres are in NWSE, which is not a "lot". MTP attached showing where lots are in the section.

10/6 -> Going to let things as the lot is not correct but legal is.
