Re: Water Right Claim Nos. 65-10637 & 65-10638

Dear Claimants:

As I indicated during our phone conversation, September 28, 1999, Water Resources can not change an address without signed notification from the water right claimant. I have included an address change form for you to fill out. This will change the address on the above mention rights.

Claim No. 65-10638 was originally decreed for 1 acre of irrigation in section 13 the NWSW. The point of diversion from the Middle Fork of the Payette was also decreed in Sec 13 the NWSW. While doing the claim review, it came to my attention that Boise County shows your property in the SENW of section 13. I have included a 1987 aerial map showing the location of your property according to the County and the area where this claim was originally decreed. Please let me know which is the correct location and point of diversion from the river.

The other claim in your name, 65-10637, was decreed as domestic use for one home. This right was recommended to the court in December 1998. You did not receive the mailing on this right as we have your address as PO Box 44132, Boise, ID 83711. This right was also decreed in the NWSW of section 13. If this location is not correct, and you wish to change the location, it will be a bit more complicated. If a partial decree has not been issued on this right in the Snake River Basin Adjudication, you can file a late objection to the water right. If a partial decree has been issued on this right, you would need to file a motion to withdraw the partial decree. Let me know if the location of this right is incorrect, and I can let you know the status of the right.

Please return the address change form by October 31, 1999.

Sincerely,

Susan Bock
Sr. Water Resource Agent

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.
Adjudication Bureau Chief
