**DECLARATION OF TRUST
PAULINE M. WOODS TRUST**

This Declaration of Trust is made by Pauline M. Woods
the 13th day of January 1998.

I.

The Trust and Trustee

1.01 The undersigned does hereby create and establish
a revocable inter vivos trust to be administered and interpreted
under the laws of the State of Idaho.

The trust is identified as the "Pauline M. Woods
Trust".

1.02 Arlene Bledsoe, daughter of Trustor, is appointed
Trustee of this trust to act without bond.

II

The Trust Estate

2.01 Trustor, Pauline M. Woods, hereby assigns,
transfers and conveys unto the Trustee of this trust, as trust
property and as part of the trust estate, the real and personal
property and property interests described in Exhibit A, attached
hereto and made a part hereof. Trustor will execute the
necessary writings to vest in the Trustee as trust property the
title to the Exhibit A real and personal properties.

Such property, additions and increments thereto shall be a part of the trust estate to be held, administered and distributed as provided herein.

Trustor, or other parties or sources may add to and deposit in the trust as trust property funds, property or other assets by gift, bequest or otherwise, all of which shall be a part of the trust estate and administered as such.

2.02 All undistributed income and other increments shall also be a part of the trust estate.

III

Amendments and Revocation

3.01 During her lifetime the Trustor may amend, alter or revoke this trust and this Trust Declaration, from time to time, in whole or in part, by writing delivered to the Trustee.

In event of revocation the funds, property or other assets held in trust made the subject of such revocation shall be reconveyed and delivered to the Trustor within thirty (30) days following the delivery of such writing to the Trustee.

IV

Powers, Duties and Authority of Trustee

4.01 In carrying out the management and administration of this trust the Trustee shall act prudently but with like

powers and authority granted a Trustee in the Idaho Uniform Trustees Powers Act, Sections 68-104 through 68-113 of the Idaho Code as now written and as may be amended or supplemented hereafter.

The Trustee may be given additional authority herein.

4.02 Receipts and disbursements of the trust may be allocated as to principal and income as provided in the Idaho Uniform Principal and Income Act, Sections 68-1001 through 68-1016 Idaho Code, as now written or amended or as the Trustee may otherwise lawfully allocate.

4.03 Trustor has discussed with Trustee the authority of Trustee to make gifts from trust income, principal or property to herself, other parties, churches, charitable organizations or agencies.

In addition to reasonable compensation payable to the Trustee for services as Trustee, the Trustor specifically grants unto the initially appointed Trustee and to any successor Trustee:

(a) The discretionary power and authority to make an annual gift to herself or himself, beginning the 1998 calendar year, of up to \$10,000.00 in cash or trust real or personal property of such value.

(b) The discretionary power and authority to make an annual gift to any grandchild of Trustor of up to \$10,000.00 in cash or other real or personal trust property of such value.

(c) The discretionary power and authority to make an annual donation of up to \$5,000.00 in cash or other trust property of such value to a church, churches or other charitable organizations of the Trustee's choice.

(d) A gift not made in a calendar year is not cumulated and may not be added to a gift in a subsequent calendar year.

(e) If the Trustee concludes that it is in the best interests of Trustor that any such gift should be increased, Trustee may only do so upon the separate written approval of the Trustor. Such written approval shall be dated and retained in the trust records.

(f) To effect such gifts referred to in (a), (b), (c) and (e) the Trustee may convert to cash other trust assets.

4.04 Whenever requested by Trustor, but not more frequently than quarterly, the Trustee shall furnish Trustor a financial statement showing trust receipts and disbursements during the accounting period and schedule of trust assets at the end of the reporting period.

4.05 Whenever the Trustee determines it to be necessary or appropriate the Trustee may deliver a copy of this Declaration of Trust, or copy of the trust financial statement to a corporation, stock transfer agent, bank or other financial institution or governmental agency.

V

Beneficiaries

5.01 In addition to her duties as Trustee, the initially appointed Trustee--but not a successor trustee--is given the additional authority as general attorney-in-fact for her mother, the Trustor. If the Trustor is unable to make health decisions for herself, as determined by her attending physician, the Trustee may make such health treatment and care decisions without restriction.

5.02 During her lifetime the Trustee shall distribute to Trustor, or pay out for her general care or treatment, all or part of the trust net income annually, monthly or at such time and in such amounts as requested by Trustor. If income is inadequate for such purposes, the Trustee shall invade and use trust principal to insure that Trustor receives good medical, hospital, nursing and general care.

5.03 Following the death of Trustor trust income and necessary trust principal shall be used to pay any indebtedness of Trustor, funeral expenses, taxes, if any, payable because of her death, and costs of administering her estate if that is necessary. The remaining trust funds, property and assets shall then be distributed to the Trustee, Arlene Bledsoe, as beneficiary of this trust. If she is then deceased, such trust funds, property and assets shall be distributed, in equal shares, unto those of her husband, Cliff Bledsoe, and their children who are then living. Upon complete distribution the trust terminates. However the Trustee continues with authority to handle any matter concerning the trust.

VI

Other Trust Provisions

6.01 If Trustee Arlene Bledsoe dies or declines to act as Trustee, or is unable to act as Trustee, her husband, Cliff Bledsoe, is appointed as successor Trustee. If he is deceased or declines to act or is unable to act as Trustee, the surviving children of Arlene and Cliff have the authority to select a successor Trustee who may be one of them.

6.02 A successor Trustee has like authority as granted Trustee Arlene Bledsoe excepting the power and authority given her in 5.01 herein.

6.03 Neither the initial Trustee nor a successor Trustee shall be required to furnish bond or security in connection with her or his duties as Trustee unless required to do so by Court order.

6.04 No beneficiary of this trust shall alienate, encumber or hypothecate his or her interest in the income or trust principal in any manner prior to distribution of that interest to such beneficiary.

6.05 Arlene Bledsoe, the Trustee named herein whose signature appears hereon accepts appointment as such Trustee and acknowledges receipt of the real and personal property described in the attached Exhibit A.

Governor

KARL J. DREHER
Director

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim.

- 1 You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
- 2 You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
- 3 You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.
Adjudication Bureau Chief
