DIRK KEMPTHORNE
Governor

KARL J. DREHER
Director

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.
Adjudication Bureau Chief

Dear Mr. Kalblinger:

Enclosed are copies of the above referenced claims which reflect the change in address which you submitted on September 29, 1997.

The Department will contact you concerning any requirements that may be needed in order to process these claims for final court decree.

Please be advised that instream stockwater uses were not included in the Payette River Basin Adjudication. Pursuant to Idaho Code, Section 42-113 (copy enclosed) instream stockwater is not required to be filed on. If you do wish to claim an instream stockwater use please contact our office and we will send you the forms.

If you have any questions in regard to this matter, please feel free to contact this office.

Sincerely,

KAY WALKER

Gentlemen:

Our office is currently reviewing claims in the Payette River Basin area for recommendation in the Snake River Basin Adjudication. Our records indicate that you may have contacted our office concerning the claims noted above. These claims were never completed according to our records.

There may be several reasons why the claims were not completed. You may have chosen not to complete the claims or it may have been an oversight. We would appreciate a response if you feel you wish to claim the water rights in question.

We have included a profile report of each of the claims; please review these reports. If you wish further information about the claims or the claim process, please feel free to contact this office. If we do not receive a response within 30 days, I will assume that you have no further interest in the claims listed above. Thank you for your cooperation.

Sincerely,

KAY WALKER
