DIRK KEMPTHORNE
Governor

KARL J. DREHER
Director

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.
Adjudication Bureau Chief

State Water Resources,

Thank you for extending filing forms.
We really appreciate this consideration.
I believe all is in order & I've signed
the forms & returned them.

The 765-0700 claim is a Spring that
runs into the tracks at the Pump place.
The County has a 1 inch galvanized pipe
in the hillside across the highway.
This water runs into our field where we
ditch it to the river. If we don't it causes
a wet swamp for the cow herd. It's the
only source of water later in August
to this place for livestock.

It's been used for 20 yrs now - since 1967
this way. The Spring runs 36 gal. per min.

Dear Mrs. Potter:

In response to your letter dated April 25, 1989 attached is Notice of Claim forms for your Payette River Adjudication decreed water rights #A65-11236, #A65-03226, #A65-03231X, #A65-03232, #A65-03235, #A65-09347, and #A65-03236X for Boise County. The original attempt to provide you with these claim forms was postmarked March 9, 1989 and mailed to you at Rt. 1, Melba, ID. Instructions are also enclosed instructing you to verify the information on the enclosed claims. If these claims are correct they should be signed, notarized and returned to this office.

Your claim #65-07600, which you filed in the earlier Payette River Basin Adjudication, was based upon a permit issued by this department. It appears the permit was allowed to lapse for failure to submit proof of beneficial use to this department. If the water used described by the permit has been developed, please contact Mr. Tim Luke, IDWR at the above address or call him at #208 327-7900 for the proper procedure and forms needed to establish a water right for this use.

Therefore, this letter is an extension of time for the filing of the referenced Notice of Claims to a Water Right. The original filing deadline for Boise County is May 19, 1989. This extension is granted until June 5, 1989. This extension is granted under the authority of §42-1409 (10), Idaho Code.

Yours truly,

INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. Section 42-248 requires certain property holders to notify the Department of Water Resources (IDWR) of any change in mailing address or ownership of all or part of a water right record on file with IDWR. Section 42-1409(6) provides that new property owners must notify IDWR of any change in ownership of a water right during an adjudication of water rights, and, if a required claim for the water right has not been filed, to file the needed claim.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. If you would like any of these brochures, or if you have questions about completing this form, please contact your nearest IDWR office or call 1-800-451-4129.

If you need additional space to describe or explain any of the items on the form, please attach additional sheets to the form as you may require

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter these number(s) at Item 1. If you or the seller believe there are water rights for the property but the numbers are unknown, you may wish to call IDWR or come into an office of IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at Item 2 is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner of the water right and/or adjudication claim at Item 3.
4. The name, mailing address, and telephone number of the new owner(s) is entered at Item 4. Please indicate the relationship between multiple owners by using the connector "and", "or" or "and/or". If an "and" is used, all parties must sign this form. If an "and/or" or "or" is used, all parties may sign, however only one of the named parties is required to sign.
5. At Item 5, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. If the property you have purchased is only a portion of the property owned by the former owner/seller, you may be purchasing only a portion of the total water right held by the seller. This means the water right held by the seller may be "split" to provide your share of the right in question. Be sure to include a description of the portion of the water right you have purchased at Item 6.

Please provide as much detail as possible concerning your water right: include the number of homes, irrigated acreage if more than 1/2 acre is irrigated, type and number of stock if your right is for stockwater, etc. In the absence of information to the contrary, IDWR will assume the intent is to split the rights *proportionately*.

7. The new owner(s) must sign the form in the space(s) provided at Item 7. Corporations and other organizations must submit a list of directors or officers demonstrating the authority of the director or officer to sign the form.
8. There is no filing fee. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:

TO PROTECT THE SECURITY OF THIS DEED OF TRUST, TRUSTOR AGREES

(1) To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefor; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereon; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

(2) To provide, maintain and deliver to Beneficiary fire, vandalism and malicious mischief insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor.

Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice. The provisions hereof are subject to the mutual agreements of the parties as below set forth.

(3) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this Deed.

(4) To pay, at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock, subject to the mutual agreements of the parties as set forth, to pay when due, all encumbrances, charges and liens, with interest on said property or any part thereof, which appear to be prior or superior hereto, all costs, fees and expenses of this Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes, appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee, pay, purchase, contest or compromise any encumbrances, charges or liens which in the judgment of either appears to be prior or superior hereto, and, in exercising any such power, pay necessary expenses, employ counsel and pay his reasonable fees.

(5) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from date of expenditure at the amount allowed by law in effect at the date hereof, and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.

(6) That any award of damages in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance. The provisions hereof are subject to the mutual agreements of the parties as below set forth.

(7) That by accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

(8) That at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed and said Note (and endorsement and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustor may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.

(9) That upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said Note to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without Warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truth thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto". Five years after issuance of such full reconveyance, Trustee may destroy said note and this Deed (unless directed in such request to retain them)

(10) That as additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(11) That upon default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, said note and all documents evidencing expenditures secured hereby

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may be determined, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof, all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

(12) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this Deed is recorded and the name and address of the new Trustee

(13) That this Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledgees, of the note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

(14) That Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

The Undersigned Trustor requests that a copy of any Notice of Default and of any Notice of Sale hereunder be mailed to him at his address herein before set forth

TRUSTOR AND BENEFICIARY MUTUALLY AGREE.

(A) By Beneficiary's acceptance of this All-Inclusive Deed of Trust, Beneficiary covenants and agrees that provided Trustor is not delinquent or in default under the terms of the Note secured hereby, Beneficiary shall pay all installments of principal and interest which shall hereafter become due pursuant to the provisions of the Underlying Note(s) as and when the same become due and payable. In the event Trustor shall be delinquent or in default under the terms of the Note secured hereby, Beneficiary shall not be obligated to make any payments required by the terms of the Underlying Note(s) until such delinquency or default is cured. In the event Beneficiary fails to timely pay any installment of principal or interest on the Underlying Note(s) at the time when Trustor is not delinquent or in default under the terms of the Note secured hereby, Trustor may, at Trustor's option make such payments directly to the holder of such Underlying Note(s) in which event Trustor shall be entitled to a credit against the next installment(s) of principal and interest due under the terms of the Note secured hereby equal to the amount so paid and including, without limitation, any penalty, charges, and expenses paid by Trustor to the holder of the Underlying Note(s) on account of Beneficiary's failing to make such payment. The obligation of Beneficiary hereunder shall terminate upon the earliest of (i) foreclosure of the lien of this All-Inclusive Deed of Trust, or (ii) cancellation of the Note secured hereby and reconveyance of this All-Inclusive Deed of Trust.

Should Trustor be delinquent or default under the terms of the Note secured hereby, Beneficiary consequently incurs any penalties, charges or other expenses on account of the Underlying Note(s) during the period of such delinquency or default, the amount of such penalties, charges and expenses shall be immediately added to the principal amount of the Note secured hereby and shall be immediately payable by Trustor to Beneficiary.

If at any time the unpaid balance of the Note secured hereby, accrued interest thereon, and all other sums due pursuant to the terms thereof and all sums advanced by the beneficiary pursuant to the terms of this Deed of Trust, is equal to or less than the unpaid principal balance of the Underlying Note(s) and accrued interest thereon, the Note secured hereby, at the option of Beneficiary, shall be cancelled and said property shall be reconveyed from the lien of this Deed of Trust.

(B) Trustor and Beneficiary agree that in the event the proceeds of any condemnation award or settlement in lieu thereof, or the proceeds of any casualty insurance covering destructible improvements located upon said property, are applied by the holder of the Underlying Note(s) in reduction of the unpaid principal amount thereof, the unpaid principal balance of the Note secured hereby shall be reduced by an equivalent amount and be deemed applied to the last sums due under the Note.

(C) At such times as the Note secured hereby becomes all due and payable, the amount of principal and interest then payable to Beneficiary thereunder shall be reduced by the then unpaid balance of principal and interest due on the Underlying Note(s)

(D) Any demand hereunder delivered by Beneficiary to Trustee for the foreclosure of the lien of this Deed of Trust may be not more than the sum of the following amounts:

(i) The difference between the then unpaid balance of principal and interest on the Note secured hereby and the then unpaid balance of principal and interest on the Underlying Note(s), plus

(ii) The aggregate of all amounts theretofore paid by Beneficiary pursuant to the terms of this Deed of Trust prior to the date of such foreclosure sale, for taxes and assessments, insurance premiums, delinquency charges, foreclosure costs, and any other sums advanced by Beneficiary pursuant to the terms of this Deed of Trust, to the extent the same were not previously repaid by Trustor to the Beneficiary; plus

(iii) The costs of foreclosure hereunder; plus attorneys fees and costs incurred by Beneficiary in enforcing this Deed of Trust or the Note secured hereby as permitted by law

(E) Notwithstanding any provision to the contrary herein contained, in the event of a Trustee's sale in furtherance of the foreclosure of this Deed of Trust, the balances then due on the Note secured hereby, for the purpose of Beneficiary's demand, shall be reduced, as aforesaid, by the unpaid balance, if any, of principal and interest then due on the Underlying Note(s), satisfactory evidence of which unpaid balances must be submitted to Trustee prior to such sale. The Trustee may rely on any statements received from Beneficiary in this regard and such statements shall be deemed binding and conclusive as between Beneficiary and Trustor, on the one hand, and the Trustee, on the other hand, to the extent of such reliance.
