DIRK KEMPTHORNE
Governor

KARL J. DREHER
Director

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

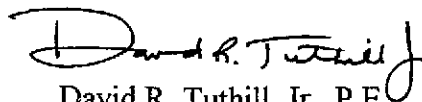

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

RE: A65-11268A

Dear Ms Arreguy:

Thank you for returning the Notice of Error Reply and Change of Water Right Ownership forms for the above referenced claim. We will change our records to reflect you are now the sole owner of this water right.

You requested on the Notice of Error Reply to add 10 more acres to the recommendation. The place of use I recommended is exactly the same as the place of use claimed in A65-11268A and is described in the base water right 65-11268. The legal description for the 10-acre parcel described in the Quitclaim Deed dated 9/17/1999 in the SWSW, Section 28, T07N, R03W is not part of the original water right 65-11268 as it was decreed in the Payette River Basin Adjudication. Therefore, we cannot arbitrarily add the ten acres to the water right.

The 5-acre homesite parcel described on the Quitclaim Deed dated 9/19/1999 in the SWSE, Section 28, T07N, R03W is already part of the 39 acres in the recommendation for A65-11268A.

If you have any additional questions or discussion concerning this matter please call me at the number below.

Cordially,

Mel Schulte
