Hi!

Aug 2 - 2000

Just want to put in a note -
The property was bought from Jerry
Hansen - who is deceased -

(Doris + Earl Jones bought this)

Jim & I - we were divorced and
I remarried Feb 14 - 2000 - and
I am now Doris Conrad -

I am renting my property at present
and do wish to keep the well -

I do not find any papers on the
water rights - I would appreciate
having them - and all of the
changes there a little bit -
not found as of yet -

I am 73 + not the last looker
any more - I hope this will do - I'm
not much on this type of thing
any more - Hope this is alright.

Sincerely, Doris C. Conrad

P-5

I almost sold my property
to a Audrey Karpe. H.S.B. -
she has my good map to my
property and refuses to give it to me -
Protection for the agol tried to get
them, & could not get a response -
so I would have to go to small
Claims Court of which I did not
want to do.

She had my place severaged on
her own - I signed nothing and told
her I could not afford it. I was doing
Child Care - ⁵⁵renting to her and \$318.⁰⁰ -
a mo - L. L. some? "let know of
money - I do not pay. towards her
now -; any way she do. see my good
map - she bought from Marge Barker
own on the next street since -
Sincerely
Chris

DEPARTMENT OF WATER RESOURCES

**INSTRUCTIONS FOR FILING
NOTICE OF CHANGE IN WATER RIGHT OWNERSHIP**

This form has been prepared to assist all claimants and owners of water rights to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. All claimants and owners of water rights are required to notify the Department of Water Resources (IDWR) of any change in mailing address or change in ownership of all or part of a water right. In addition, all purchasers of water rights within a pending general adjudication area must inquire whether a notice of claim has been filed and, if not, shall file a notice of claim if necessary.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. Please contact your nearest IDWR office, or call 1-800-451-4129, if you would like more information or need help completing this form. Please attach additional sheets to the form if you require additional space to describe or explain any of the items on the form.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter the number(s) at Item 1. Corresponding water right and adjudication claim numbers should be listed next to each other on the form. You may have purchased only a portion of the water right(s) held by the seller. If so, the water right(s) held by the seller may need to be "split" to provide you your share of each right. Indicate if a split is required by checking in the space provided next to each water right.

If you receive water from a municipal provider, an irrigation district or other water delivery organization, where the water rights are held by the organization, please do not use this form to record a change. You may need to contact the water delivery organization to determine if any action is necessary.

If you or the seller believes there are water rights for the property but the numbers are unknown, you may wish to contact IDWR for assistance in identifying the water rights for the property in question. If adjudication claims for the rights are required and have not been filed, IDWR will so advise you.

2. The information described at Item 2 is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner/claimant(s) of the water right(s) at Item 3.
4. The name, mailing address, and telephone numbers of the new owner/claimant(s) is entered at Item 4. Please indicate the relationship between multiple owners by using the connector "and", "or", or "and/or." If an "and" is used, all parties must sign this form. If an "and/or" or "or" is used, all parties may sign; however, only one of the named parties is required to sign.
5. At Item 5, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. You may have purchased only a portion of the water right(s) held by the seller. If this change in ownership divides the water right(s) among multiple owners, you must describe, in detail, your portion of each water right after the change. For each water right requiring a split between owners, fill in the appropriate spaces in the box(es) at Item 6. Copy the page as many times as necessary to fully describe each water right after the change. Include documentation as necessary to describe nonstandard agreements or arrangements regarding division of the water right(s). If the water right(s) will not be split, skip Item 6 and go to Item 7.
7. The new owner(s) must sign the form in the space(s) provided at Item 7. If an "and" connector is used at Item 4, all parties must sign this form. If an "and/or" or "or" connector is used, all parties may sign; however, only one of the named parties is required to sign. If someone other than the owner signs the notice, evidence of authority to sign for the owner must be attached. If the new owner is a corporation or other organization, the person signing the notice must be an officer of the corporation or otherwise have authority to sign for the organization and must include their title with the signature.
8. The filing fee is \$25 per water right, except for those water rights which will be divided as a result of the change in ownership. The filing fee for division of a water right is \$100 per water right to be divided. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:
