DIRK KEMPTHORNE
Governor

KARL J. DREHER
Director

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.
Adjudication Bureau Chief

Dear Mr. & Mrs. Seawear:

Enclosed is the Notice of Claim No. A65-11381 received previously for Payette County.

This water right was originally and still is in the name of Ronald & Shella Bateman. If you now own the property covered under this claim, the enclosed Change of Ownership form needs to be completed, either by yourselves which requires proof of ownership of the property be submitted or by the Bateman's which then only requires their signature as former claimants.

If the Bateman's still own this property, then they need to sign this claim, before a notary, and return it to our office.

Please submit either the completed Change in Ownership form or the claim signed properly within 30 days from the date of this letter. If this claim is not returned within the 30 day time period it will be considered not timely filed, and in order for this right to be decreed in the Snake River Basin Adjudication, the claim and a \$50 late fee will be required prior to submittal of claims in this area to the court.

Please feel free to contact us if you have any questions on problems filing this claim with the present owner's as Claimants with their signature's notarized.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Jan Shurte'.
