Dear Property Owner(s):

Enclosed is a copy of the above referenced water right, which reflects your change in address for the land and appurtenant water rights covered under the original filing. Also enclosed is a copy of the Notice of Completed Administrative Proceedings, which has been sent to the Snake River Basin Court as notification of the change.

Thank you for your patience and cooperation, as we have had several ownership changes to process. If you have any questions concerning the enclosed water rights, please feel free to contact this office.

Sincerely,

RE: Snake River Basin Adjudication (SRBA)
Boise County - #A65-07635, #A65-10886 &
#A65-12051

Department of Water Resources

Dear Mrs. Echevarria:

Per our telephone conversations last week, we located the receipt (#C013568) for the \$150.00 received on December 19, 1989. I have attached a copy for your records.

Due to a typo, I did not match the receipt with your claims for the previous letter. Therefore, my letter of July 11, 1990, is inaccurate as far as the total fees due.

The following is the revised breakdown for the amount due. Horseshoe Bend School District #73 has a credit of \$150.00.

#A65-07635 & #A65-10886: \$50.00 late fee for each = \$100.00
less \$150 credit = \$50.00 credit.

Water right application #A65-12051 was filed after the October 31, 1977 cutoff date for the Payette Adjudication, the fees are as follows:

Claim Fee	\$ 50.00
Variable Fee of \$1.00/acre (3 Acres)	3.00
\$100/cfs (.02 cfs)	2.00
Late Fee	50.00
	<u>\$ 105.00</u>
Credit	50.00
	<u>50.00</u>
Fees Due	\$ 55.00
	=====

We will suspend processing of Claim #A65-12051 until September 1, 1990, to give your Board a chance to meet and submit the remaining balance.

RE: Snake River Basin Adjudication (SRBA)
Boise County - #A65-07635, A65-10886 & A65-12051

Dear Ms. Echevarria:

As you will have noted back in November, 1989, your Request for Extension of Time to file an adjudication claim was denied (copy enclosed).

I apologize for the slow follow-up regarding the above-referenced claims you submitted, but we must suspend the processing of your claims for 30 days from the date of this letter until the filing fees and late fees in the amount of \$205.00 are paid.

A breakdown of the fees is as follows:

A65-07635 and A65-10886 were listed in the Payette Decree which had a cutoff date of October 18, 1977. Therefore, only a \$50.00 late fee is due for each of these claims, for a total of \$100.00.

A65-12051 was filed on October 31, 1977, which was after the Payette Adjudication cutoff date of October 18, 1977. As it was not listed in the Payette Decree, the \$50.00 filing fee is due plus a variable fee of \$1.00 per acre for three acres and \$100.00 per cfs (.02 cfs claimed) plus the \$50.00 late fee for a total of \$105.00.

Referencing back to your letter of August 22, 1989, for which I am not sure you received an answer, the \$100.00 which you paid on December 18, 1986, went toward the field examination and issuance of license 65-07635. This had nothing to do with the Payette adjudication or this Snake River Basin Adjudication.

Identify water right(s) for which extension is requested

State why an extension of time is requested explaining how a diligent effort has been made to meet the deadline

We were under the impression that our water rights were protected under the Payette River Adjudication. It came to light that we should file a claim in the Snake River Adjudication but would not owe fees. By the time we had a clear understanding of how to handle the filing of the claims, the deadline had passed. It was not intended to file late. A third claim has come to light, which was not discussed in the earlier filing.

Claimant requests an extension to December 15 (or whatever is reasonable) 19 89

Re: Snake River Basin Adjudication SRBA
Claims #65-10886/#65-07635 - Boise County

Dear Mr. Carlson:

In December 1986 we filed a claim on our water permit. I am enclosing a letter from Kay Walker regarding that claim dated June 1987. At that time we paid \$100 for filing a permit and the examiner came the next spring.

During the time the Snake River Basin claims were to have been filed, we were told in conversation here and on the telephone with your office that we probably did not have to file a claim, since our permits would have been taken care of in the Payette River Adjudication, which came about prior to the Snake River Basin Adjudication. However, after some discussion and checking, we were advised to go ahead and file a claim after all. Thus, resulting in passing the deadline.

There has been very much confusion on our water permits and which adjudication is which. What did we pay \$100 for in 1987? No one could ever tell us that. But we were assured we would not have any more fees.

It looks like we have three permits according to your records. Could you please help me figure this out?

Sincerely,

Sandra Echevarria
