Dear Mr. Stevens:

This letter is a follow up to your letter dated April 11, 2001. You had indicated that some of the City's water rights might have been overlooked in the Snake River Basin Adjudication, (SRBA).

Right 65-7256 has lapsed and thus is no longer a valid water right.

Right 65-12214 was recommended, a copy of the recommendation is included.

Rights 65-12951, 65-13341, and 65-13214 did not require a claim in the SRBA. I have included a profile report for each of these rights.

Right 65-03758A was disallowed and recommend as 65-03758B. This right was originally decreed to Arthur and Eunice Johnson for domestic use. The City of Payette and Davida Crosby filed on this claim. Based on the information we have received it appears that Davida Crosby owns the original home covered by this right. If you feel that we have made an incorrect recommendation, please submit further evidence to our department.

Right 65-04386 has a partial decree that was issued in 1998. I have also included a copy of this right.

I hope this address your questions. If you need further assistance, please call me.

Sincerely,

Sue Bock
Sr. Water Resource Agent.
