Dear Mr. & Mrs. Meserth:

In response to your letter dated April 26, 1998, I have researched and found that our records indicate your ownership of the following water rights. Water Right number 65-10783 is for Domestic use. Water Right number A65-10784 is for irrigation use; and water right number A65-12282 is for irrigation and stockwater uses. I have enclosed profile reports for these rights indicating that you are the current owner on all of them.

In addition, our records indicate that the Korell's do not have any water rights in their name at this time.

If you have any questions regarding these water rights, feel free to contact this office at (208) 334-2190.

Sincerely,

A handwritten signature in cursive script that reads "Denise Buffington".

Dear Sir / Ma'am

APR 28 1998
Department of Water Resources

We recently received a letter from you about our domestic water right. We didn't receive anything about the neighboring home and 2.9 acres that we purchased from Kathy Korell Jenson in 1996. (The Korells purchased the *property* from Jim and Carol Youren in the mid 1970s. - Legal description attached)

There is a well providing water to that home. There should also be irrigation rights to the lower 2 acres, below the irrigation ditch.

Would you please check your records and tell us if the Korells filed on either the well or the irrigation water?

If so, how do we transfer the rights into our name?

If not, how do we file? The well serving the home is a shallow one - approximately 25 feet. We had to install a water purification system system

Thank you for your time and attention.

Sincerely,

Werner and Judith Meseth

Dear Dep. of Water Resources Personell

Specifically Mr Bruce A. Schuld

Department of Water Resources

Included is a copy of the cover letter Mr. Schuld sent with other material.

Also included are the two "Decreed Claims" 65-10783 and 65-10784. Both are signed and notarized. There are no filing fees for these Decreed claims since they are part of the Payette River Adjudication.

Also included is the signed and notarized claim A 65-12282 for which I have a "Water Right LICENSE" #65-12282. I was informed that the LICENSE does not have the rights of a "Decreed Claim". I therefore included the \$53⁰⁰ fee to take care of this.

Thank you again Mr Schuld for your help!

Sincerely

Werner Meserth
