Re: Claim No. 65-12301

Dear Mr. and Mrs. Guernsey:

Thank you for sending in the Notice of Error Reply form. I have changed your address as requested please keep us informed if the address changes in the future.

As you have indicated, when you originally filed your claim you filed for 0.04 cfs. A field exam was conducted on 7/16/1986. Based on the system in place, the field examiner recommended a diversion rate of 0.01 cfs. This right was licensed on 4/19/1990, with the diversion rate of 0.01 cfs and diversion volume of 2.60 afa.

In recommending this right in the Snake River Basin Adjudication, I am limited to recommending this right as it was licensed. If you feel this is not enough water, you would need to file a new application for permit to appropriate additional water.

Please call if you have any questions.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Sue Bock', is written over a horizontal line.
