RE: Request for information

Dear Ms. Laughlin:

Enclosed please find the water right/SRBA claim information that you requested from this office. Also enclosed are the well logs we have on file for the requested locations. As you may know, there was no requirement to file well logs with IDWR until 1987. Information on wells drilled before that time is not always available and well logs were not found for all locations.

Also, since domestic ground water users are not required to file on that use, some of the parcels do not have any water right/claim on record with IDWR.

There is some additional information which may be of interest for two of the properties:

1. Thornton T12N R04E S4: Water from Alpha Ditch Company may be appurtenant to this property. Please contact that organization directly for more information.

14. Zach T11N R03E S10: Snake River Basin Adjudication claim no. A65-12643 was withdrawn by Mr. Zach. If this water right is still being used, the owner will want to refile a claim on the right. If no claim is filed, the right may not be recommended to the Court in the SRBA. This could jeopardize the use of the right in the future.

If you have any questions or comments about the enclosed information, please do not hesitate to contact me at this office.

Sincerely,

Maria Minicucci
Senior Water Agent
