PERMIT # 65-13092

HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water rights are described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.

RE: SRBA CLAIM A65-13092

Claimant was informed that claim was not required by H. Thornton and myself. Mr O'Connor decided to file it anyway. During discussions with state office staff there was mention of filing this claim as "domestic" due to irrigation of less than 1/2 acre associated with a dwelling. After considering the licensed use and date of license relative to presumption &/or amnesty statutes regarding change of nature of use the claimant and myself concluded that they would file it as nondomestic. Late fees were not considered due to date of initial claim filing, priority and licensing date of permit and its non-required filing status.

I was not able to modify the claim as it resides on some office's Temp file, or the computer link snafu that occurred today. I have attached an obituary for Robert O'Connor, the original filer of the partial claim. Also attached are original correspondences regarding claim refiling requirements.

Please contact me if you have any questions about what I have done.

Robert Jerome O'Connor
Boise

Robert J. O'Connor, 66, of Boise, died Wednesday, May 18, 1994, at his home in Boise following a courageous fight with pancreatic cancer.

Vigil services were held Friday, May 27, at Summers Funeral Homes, Boise Chapel. Funeral Mass will be celebrated at 10:30 a.m. today at St. Mary's Catholic Church with the Rev. John Morgan of St. Mary's Catholic Church, Boise, and Monsignor Raymond Peplinski of St. Jude's Catholic Church, Garden Valley, as concelebrants. Burial will follow in Morris Hill Cemetery.

Bob was born at home Aug. 23, 1927, in Uniontown, Wash., a son of Eugene Joseph and Kathryn Lunders O'Connor. He grew up in Genesee, Idaho, he graduated from St. Gertrude's Academy in Moscow, Idaho, and Moscow High School where he lettered in track, football and basketball and was team member when Moscow won the Class A state basketball championship. He graduated from the University of Idaho in 1951 with a bachelor of science in electrical engineering. He spent one and one-half years in the U.S. Army at the end of World War II in the middle of his college years. At the U of I he was an active member of Phi Gamma Delta and lettered in basketball two years when the U of I won the Northern Division championship.

He married Jean Carter on Aug. 27, 1950, at St. Mary's Catholic Church in Boise. As newlyweds they lived in Moscow for six months until Bob graduated from the U of I, then they moved to

Schenectady, N.Y., where Bob started his career as a test engineer, then in lumber and paper-mill sales with General Electric. Because Jean and Bob both loved Idaho and wanted to be near their families, he left G.E. and joined Idaho Power in July of 1952 as a commercial and industrial salesman in Boise. In his career with Idaho Power he held many different positions in management including sales manager, division manager in Payette, vice president, executive vice president, chief executive officer, and chairman of the board.

Bob was active in community affairs. In Payette, he was founder and president of the Payette Industrial Corporation, president of the Chamber of Commerce and a member of the Kiwanis Club. In Boise, he was co-chairman of Boise City's 100th year celebration in 1963, active in the Jaycees, a four-year member of the Boise City Planning and Zoning Commission, and a member of Boise Rotary, IACI, the Boise Chamber of Commerce, a charter member of the Crane Creek Country Club, a member of the Arid Club and chairman of the executive committee in 1985 when it was decided to build the new clubhouse by the Boise River. He was on the board of directors of Amalgamated Sugar Co., and of IB&T which became Key Bank of Idaho. Also, he was a member of the U of I Foundation board and the board of directors of St. Luke's Hospital. He was co-founder and chairman of Idaho Business Week, chairman of the Idaho Council of Economic Education, and founder and chairman of the Idaho Company. He was honored as The Idaho Statesman's Distinguished Citizen. Bob was a member of St. Mary's Catholic Church in Boise and St. Jude's Catholic Church in Garden Valley.

Bob's agricultural background and his strong love of the land led him to fulfill one of his fondest dreams, owning a farm. He and Jean joined the desert entry program and developed a thriving farm out of grass and sagebrush at Bell Rapids above Hagerman. Bob was heavily involved in the formation and operation of the Bell Rapids Irrigation Project, and he was the driving force behind the 1992-'93 \$2-million water delivery efficiency improvement project designed to conserve power on the project. O'Connor Enterprises Inc. continued to add farm ground at Bell Rapids and

acquired a family farm on the Camas Prairie near Reubens, Idaho, which was originally homesteaded by Gerrette and Herman Lunders, Bob's grandfather and great-uncle. In 1993, an additional farm was purchased on the Twin Falls Tract south of Buhl. Bob's son John, owner of Farm Management Inc. in Buhl, currently co-owns and manages O'Connor Enterprises Inc. with his wife Kacee.

Bob and Jean built their dream cabin on a bluff overlooking the south fork of the Payette River in 1984. Bob was on the Rivers Point board of directors for 10 years and president for one year. He was chairman of the legal committee and was instrumental in solving several difficult problems in the Rivers Point area including replacing a dry well. Another fulfilled dream was being able to travel overseas and in almost every state in America on business and pleasure trips.

In the spring of 1989, Bob was forced to take early retirement from Idaho Power Co. due to illness. He recovered and thoroughly enjoyed doing all the things he had little time for during his busy career.

Survivors include his cherished wife and best friend, Jean of Boise, his daughter, Mary Sue O'Connor of Boise; his son, John and daughter-in-law, Kacee and their precious children, Shaylee, Zackery and Emily of Buhl; a brother and sister-in-law, J. Patrick and Bobbee O'Connor of Boise; a brother-in-law, Ray Barker of Moscow; three nieces; a nephew, an aunt, and many cousins. He was preceded in death by an infant son, Michael; his sister, Jeane Barker, his father and mother; and several aunts, uncles and cousins.

The family suggests that memorials be made to the Monsignor Creagan Foundation of which Bob was a board member, c/o St. Mary's Catholic Church, 2628 W. State St., Boise 83702; St. Jude's Catholic Church in Garden Valley, c/o Monsignor Raymond Peplinski, 322 Manville, Boise 83705-1358; or to Mountain States Tumor Institute Hospice Program, 151 E. Bannock St., Boise 83712-6297.

The family also sends out a heartfelt "thank-you" to all friends, neighbors, family, and Father John Morgan who prayed and helped in so many ways during this difficult time.

"This is a better place because he was here."

Dear Basin 65 water user

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

- 1 You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
- 2 You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
- 3 You must not have filed a stockwater claim with the surface water irrigation claim

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.
