Conditions of Approval:

- 26A - Project construction shall commence within one year from the date of permit issuance and shall proceed diligently to completion unless it can be shown to the satisfaction of the Director of the Department of Water Resources that delays were due to circumstances over which permit holder had no control.
- R04 - Use of water under this water right will be regulated by the watermaster of State Water District No. 65A.
- 01P - Upon specific notification by the Department, the right holder shall install a lockable device of a type acceptable to the Department in a manner that will provide the watermaster suitable control of the diversion.
- R37 - This right, when considered with all other rights common to the same grazing allotment, is limited to the quantity of water beneficially used by the number of stock within the allotment.

Remarks: GEN Source is known locally as State Spring.
Place of use is located within USFS 040217050122650073.
Stockwater use is for 550 range cattle.
