E. **REASONS SUPPORTING OBJECTION(S):** This water right is claimed solely pursuant to state law. Claimant's assertions that Congress gave permission to private parties to operate on the public domain and that Congress passed various acts insuring that water sources on the public domain were not monopolized does not provide a basis for a water right under state law. Alternatively, the United States has failed to establish any legal and/or factual basis for any claimed priority date for stockwater purposes with a date prior to the enactment of the Taylor Grazing Act, June 28, 1934.
