Dear Claimants:

This office has received the Notice of Claim to a Water Right for the use of water within the Snake River Drainage Basin. However, due to the items described below, we cannot process this claim. We are returning the claim to you to complete the items described below. Also enclosed you will find Departmental Receipt No. W012052 in the amount of \$25.00.

Item No. 2 - **Date of Priority** - We have noticed that the priority date shown on your claim is the same date that you signed your claim. The priority date of a water right based on beneficial use is the date that the water was first put to beneficial use. If your claim is for a water use that was in existence prior to the date you completed the claim form, you may wish to change your claim to show the date the water use commenced.

Item No. 3 - **Source of Water** - You have left this item blank. Please check "groundwater" since you have indicated this is a well in item 5, under description of diverting works.

Item No. 6 - **Uses of Water** - You have indicated that you water 15 head of stock from this well. The amount of water recommended for non-dairy stock is 12 gallons per day per head which would be 0.02 cfs. Please insert an amount of water on items 6 and 7.

Item No. 10 - The place of use must be listed by quarter-quarter (40 acre tract), section, township, and range. Please note that you have indicated that the well is located within the NW $\frac{1}{4}$ NW $\frac{1}{4}$ NE $\frac{1}{4}$, Sec. 24, Twp. 8N, Rge. 5W and the place of use from this well is within the NW $\frac{1}{4}$ NW $\frac{1}{4}$, Sec. 24, Twp. 8N, Rge. 5W. Could the place of use actually be within the NW $\frac{1}{4}$ NE $\frac{1}{4}$, Sec. 24, close to where the well is located?

Item No. 12 - **Ownership of Place of Use** - You have not indicated whether you own this property or not. Please complete this item.

Item No. 13 - **Other Water Rights** - We will assume there are no other water rights used if you do not complete this area of the form.

MICROFILMED
OCT 22 1996

Please complete the above items on your claim form, **initial and date any changes or additions**, and return the claim to our office within 30 days from the date of this letter. If the claim is not received within this 30-day period, the claim will be rejected and your fee, paid previously, will be refunded. Please contact us within the 30-day time period, either in writing or by phone, to let us know if there is a problem returning the claim, in order to keep this claim valid. If the claim is rejected and fee refunded, due to no response within the 30-days, the claim can be resubmitted up until claims in this area are prepared for court decree. However, at that time the corrected claim along with the regular filing fee that was refunded, and an additional late fee will be required. Please feel free to contact this office if you have any questions concerning this letter.

HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.
