RE: Notice of Claims to Water Rights Submitted in the Snake River
Basin Adjudication

Hyrum L. &/or Marlene Austin
5047 SE 1½ Ave
New Plymouth, ID 83655

Dear Claimants:

This office is presently processing the Notices of Claims to Water Rights you submitted during the Snake River Basin Adjudication claims filing in your area. However, due to the items below, we cannot continue to process these claims. We are returning these claims to you to complete items required that were incomplete on your claim forms. Also enclosed is the receipt for the filing fee previously submitted with these claims.

Item No. 2 - Date of Priority - ON EACH OF THESE CLAIM FORMS
Month/day/year that water was first put to use. This could be the same date your house was built and hooked up to the well, regardless of ownership. If month and day are unknown, the Department will recommend 12/31 of the year designated. Please date and initial the information you insert on these lines.

I did find one "old" water right which has not been claimed in the SRBA that may be for one of your wells. If the well in the NE¼SE¼, Section 10, Twp. 7N, Rge. 4W, was previously owned by Elbert Ashby you should probably file on the previously decreed water right that I found to be located in this legal description. If you have purchased a home previously owned by Mr. Ashby, please send in documentation to show the chain of ownership from Mr. Ashby to you along with a legal description of the property.

Items No. 6 & 7 - Amount of Water Claimed - ON EACH OF THESE CLAIM FORMS For filing on domestic use the amount we normally allow is 0.04 cubic feet per second which is equivalent to 13,000 gallons per day. Stockwater use can be included under your domestic use as long as the daily use of the water is less than 13,000 gallons per day. If you are including your stockwater use under the domestic filings, indicate the number and type of stock to be watered on item 9. Please insert an amount of water on each of these forms under items 6 and 7, dating and intialing these additions.

MICROFILMED

OCT 22 1996

You have also not indicated if there are other water rights used for these same purposes on item 13 of each form. We will assume you have no other water (such as city water) for these homes if you resubmit the forms and this item is still blank.

Also, on item 16 of each claim form, you have not indicated if you want to receive the monthly docket sheet or not. We will assume that you are not interested in receiving the docket sheet if this remains blank on the resubmitted forms.

Please complete the above items on your claim forms, **initial and date any changes or additions**, and return the claims to our office within 30 days from the date of this letter. If the claims are not received within this 30-day period, the claims will be rejected and your fee, paid previously, will be refunded. Please contact us within the 30-day time period, either in writing or by phone, to let us know if there is a problem returning the claims, in order to keep these claims valid. If the claims are rejected and your fee refunded, due to no response within the 30-days, the claims can be resubmitted up until claims in this area are prepared for court decree. However, at that time the corrected claims along with the regular filing fee that was refunded, and an additional late fee will be required. Please feel free to contact this office if you have any questions concerning this letter.

Sincerely,

ADJUDICATION STAFF

HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

It is very important that you inform the department in writing of any change in your address. This is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

If you are acquiring property with water rights in the Snake River Basin water system in Idaho (either by purchase, gift, inheritance, or other means), it is very important that you inquire of the department whether a notice of claim has been filed. If not, you must file a notice of claim or the water right may be declared by the court to no longer exist. If a notice of claim has been filed, it is very important that you file a written notice of change in ownership with the department. The notice of change in ownership must be accompanied by some evidence of the change in ownership, such as a copy of the deed or a property tax statement showing the name of the new owner. Again, this is to make sure that you receive the notices affecting your water rights that are to be mailed by the department.

The cost of the subscription to the docket sheet is \$7.50 for calendar year 1988. The cost of the subscription may increase a small amount for calendar year 1989 if the cost of copying and/or mailing should increase.

If you are planning to file a motion or other pleading (not a notice of claim) with the court (not IDWR), the court has issued an order setting a special procedure that is different from the usual civil rules. A copy of the order may be obtained from any office of IDWR; you may be charged for the cost of mailing and/or copying.
