1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

This stockwater claim where livestock drink directly from Buck Lake. FS claimed stockwater storage in Buck Lake + stockwater storage from Buck Lake. IF the changes IDWR made to the claim showing instream stockwater accommodate livestock use from Buck Lake, we would agree with.

2. Describe the changes you wish to make in the proposed recommendation: IDWR Recommendation:
Should tributary be left blank or should it be Lemah Creek?
Also, Buck Lake appears to also be in Section 8, SWSW.

3. Give a brief explanation as to why you disagree with these portions:

 I AGREE with this proposed recommendation: no changes need to be made.
