SUBCASE NO.: 65-22232

STANDARD FORM 5

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The parties and IDWR agree and stipulate that the elements of this water right should be described per the attached. The parties and IDWR have further indicated their concurrence by initialing each of the attached pages.

Dear Tom and Marva:

As I was entering the data from your claim forms, I noticed that you filed for instream rights from a spring tributary to Willow Creek. This should have been listed as Source-Little Willow Creek, Tributary - Payette River. I have enclosed a copy of your original filing and an amended claim which needs to be signed and notarized. I apologize for not finding this error while you were here.

I have also enclosed a copy of the claim for Linson Creek. This copy does not need to be returned.

If you have any questions, please give me a call.

Sincerely,

Sue Bock
Sr. Water Resources Agent

Enclosure: Copy of claim form, amended claim form
