RE: Snake River Basin Adjudication (SRBA)
Water Right Claim #65-22389

Dear Water Right Holder:

(Englesby)

We have been advised you are the current owner of the property and water right referenced above. Before we can modify our records to reflect your ownership of the property and water right referenced above, we need Form 42-248/42-1409(6) completed and returned. I have enclosed this form for your use.

I have also enclosed a copy of this water right claim as we will recommend it to the SRBA Court. Since this water right claim is not yet partially-decreed, there is no filing fee due. We expect the Court to issue partial decrees in the near future, so please submit the ownership change soon.

Please call me toll-free at 1-800/451-4129 if you have any questions.

Sincerely,

Sally Sherman

Re: Original Notice of Claim to a Water Right No. 65-02548

Renumbered to Notice of Claim to a Water Right No. 65-22389

Dear Claimant(s):

We have received and processed a Change of Ownership for a portion of your original Claim to a Water Right Number as referenced above. This change of ownership resulted in a split of your original claim.

When a portion of the original water right claim has been conveyed to another and the original right has been split, then the original claim number is renumbered by adding alpha suffixes to represent each split. Each split contains only the portion of the original right for each separate owner. The above referenced new claim number reflects your remaining portion of the original claim after the change of ownership. Enclosed is a copy of this new claim for your records. Please refer to your new claim number when corresponding with our office. Also enclosed is a copy of the original claim for your reference.

If you have any questions concerning this ownership change, or the enclosed claim copy, please feel free to contact this office.

Sincerely,

Denise Buffington
