I have some returned mail from the Court for the above number, however, our database states the current owner as Tamarack Resort LLC. BUT - there is nothing in remarks or comments stating when the name change occurred, and I am not seeing any documentation in the file, and most important - I am not seeing that there was an NCAP done and it appears it would have been necessary. It wasn't decreed until 2/26/03, with an Amended PD on 3/7/03. Does anyone know when the name change occurred, or if there is any documentation showing it?

Let me know if anyone knows what happened. Thanks

Name change
notes

Gibson did an assignment on a different WRA
being a permit & apparently updated
the contact info & changed the AG
rec. also. Needed an NCAP, however
one was not done. Decreed 3/7/03, incorrectly.

Basin 65 General Provisions No. 3, the Separate Streams General Provision, does not apply to appropriations after October 18, 1977.

This water right shall be administered as being from a separate source pursuant to Basin 65 General Provision No. 3. If the holder of this right seeks to change the right pursuant to Idaho Code § 42-222 or successor statute, nothing in this general provision shall preclude any other person or entity from demonstrating that such change in use would cause injury to its water right or from receiving any relief provided by law in event of injury.

The provision was recommended in the *Special Master's Report and Recommendation* to be included in the *Partial Decree* for your water right, but was inadvertently omitted due to a clerical error.

Should you have any questions regarding this matter, please contact the Clerk of the Court for the SRBA at (208) 736-3011.

Sincerely,

Diana Delaney
