Re: Change of ownership for 67-227

Ok, the first obvious thing with this one is that they wrote down the wrong claim number. All evidence indicates that 67-227 is the one he must have been talking about.

- 1) 67-227 is in the name of Lila L. Downey and the address matches what he wrote on the change of ownership.
- 2) Name search for Lila Downey comes up with 67-227 and one partially decreed domestic right 67-4034 (no fees were paid).
- 3) Legal description attached to the c/o included POU claimed under 67-227.
- 4) Tax lot data indicates Kenneth Downey as owner of the POU claimed under 67-227.

So I think it is safe to make the leap that Kenneth just wrote in the wrong number.
