Mr. Saxton,

Enclosed are the maps that go with our Beneficial / Statutory water claims. We've marked the ditches and areas irrigated for each right. To support our claims we have enclosed tax assessments from 1953 and 1968 which so the land was classified as irrigated ground.

We've also enclosed deeds to so line of ownership from 1910 to present.

Please let us know if there is any other information needed.

Thanks,
