RE: Snake River Basin Adjudication (SRBA)
Incomplete Notices of Claim to a Water Right – Lemhi County

Dear Claimants:

I am returning two of your claims because we need your help on a few items before we can continue. Your third claim for water from the Lemhi was complete. I have also enclosed your receipt #C078465 for the filing fees you paid. Please retain the receipt for your records.

Incomplete Claim for Water from the Spring

✓ At Item #4b., you claimed instream flow. Instream flow claims are for stockwatering directly from a natural stream course. At Item #5 you described your diversion works as a ditch carrying water to a culvert under Hwy. 93 S. If this is so, please line through your entries referring to instream flow.

✓ Please have the Notary Public complete the Notarization at Item #16.

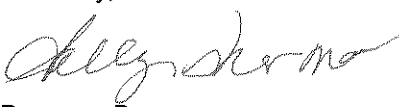

Incomplete Unnumbered Claim for Waste Water from Cemetery Bar

✓ Please add the amount of water used at Item 6 and the total at Item 7. We cannot accept "all waste water" as the amount used.

✓ Please initial any changes you make to these claims and return them to me at this office. You may want to make a copy of your claims before returning them to me.

Please call me at 208/287-4922 if you have any questions or concerns.

Sincerely,

for
